

Subject Selections Information Sheet: 12th Grade

- 1. The online subject selection sheet must be completed and submitted during your Social Studies course prior to the week of March 7, 2022.
- 2. Students will be completing their schedule through our online scheduler, it will be then be reviewed by their counselor, and finalized by student with the use of their save code.

Step 1: Choose Academic Courses

- You must select one course from each grade requirement subject area:
 - *English, Math, Social Science, Science
- The course level options available to you will be based on your current grades.
 - *Final Grades will affect the final placement level of core and program courses.
 - *Please refer to the Academic Progression Chart on our school's website, Under the
 - "Academics" tab and Student Services heading.

Step 2: Choose Elective Courses

- You will select your top 6 choices for electives (#5 in the selection screen being your first and #10 being your last choice)
- Please do not select a class that you have taken previously or are currently taking at the high school level.
- You must take the first level of any elective course, before taking the next level, 2 or 3.
 Please be advised that students may lose an elective class due to the following reasons: Previous school years' Math and Reading Scores, ESOL level, and/or required special education class placement.

Important Information to Consider

12th Grade students:

- For your social studies class: you <u>MUST</u> select a US Government course. You may choose another AP Social Studies course as an elective.
- If you are missing any requirements for graduation, **YOU MUST** choose them as your top elective choice.

Graduation Requirement Reminders: All students must take 1 virtual credit, a minimum of 2 years of the same foreign language, Personal Fitness (.5) and PE (.5), and Fine Arts course prior to graduation.

Scholars Program: The Scholars Program provides students the opportunity earn an AA degree from Miami Dade College and Doral College by the end of their senior year. Must have a minimum unweighted 3.0 GPA of higher. If you are interested in participating in the Scholars Program, please see the Scholars section of your subject selection form. Please refer to the school's website for more information or speak to your counselor.
